“Every competitor is a winner. Every parent and coach deserves kudos for a job well done.”

**2006 NEW ENGLAND REGIONAL FIGURE SKATING CHAMPIONSHIPS.** The advance planning is finished, the competitors are practicing daily and thanks to the hard work of our dedicated team of event planners, the 2006 New England Regional Figure Skating Championships is poised to be a success. The first step in the process to choose both our US National Competitors and our US Olympic Team is about to begin.

We are expecting to welcome 300 competitors, 50 judges and officials, 200 coaches, and spectators in the thousands during this 4 day event. Downtown Exeter, as well as the entire New Hampshire Seacoast, will see an unprecedented number of figure skaters and fans of figure skating exploring the area.

The IceSkating Club of Exeter has more competitors than ever before! Best wishes to our eight skaters as they enter the initial Qualifying Event of the season. There will be a complimentary all-event pass at the registration desk for every member of the IceSkating club of Exeter. Please plan to visit to the rink as often as possible to cheer on our members!

Special Congrats to club member **Mary Melanson**.

Mary passed her Pre-Preliminary Dance test at Colonial FSC in August. Mary's determination has kept her on the ice through both illness and injury. Keep up the good work!
