

I.C.E.

IceSkating Club of Exeter

August 2006

NH Figure Skating Festival

A total of 72 skaters competed in 30 different events on Saturday August 12 at The Rinks at Exeter. For the first time ever, skaters from Vermont and Maine were invited to participate in the New Hampshire Figure Skating Festival since those states do not run qualifying competitions for the State Games of America. IceSkating Club of Exeter skaters took home a total of 18 medals, a record number of club medals in recent club history!

These medalists qualify to participate in the State Games of America, August 2-5, 2007, Colorado Springs, Colorado.

The day began with opening ceremonies and the presentation of state flags, and included competitors reciting the Oath of Athletes for the event.

The crowd of competitors and their cheering sections included many

familiar faces both from last October's Regional Championships as well as a large group from Burlington, Vermont.

A big thank you to all the volunteers who helped the day run smoothly, and congrats to all our skaters for a job well done on the ice!

ICE Club Updates

Fall Session September 6-Dec 23
Contracts due **NOW!**

Week of Aug 28-Sept 1

4:35-5:35, Freestyle \$15

Sat, Mon: Labor Day, No ice

Year-End Banquet

I.C.E. held their first ever year end banquet at the rink on Friday June 18. Skaters and their families had an evening of fun on the ice as well as a terrific "Make-your-own-Taco" bar for dinner, a Photo Cake from the club and a chocolate fountain from the Platt Family for dessert!.

Kellee Peckham and family worked all year to document our skaters on the ice—and put the pictures and videos together with music as a 30 minute DVD presentation. It was terrific! A big thank you to the Peckham's for a job well done! Skaters received pins or charms for tests passed in the 2005/2006 membership year. If you would like to purchase pins for tests passed in previous years, please see Kelly Heon.
