IceSkating Club of Exeter

June 2006

June Show a great success!

Another successful year of I.C.E. on Ice! The crowd loved it and the skaters had a great time. As always, all the effort behind the scenes was well worth it! A big thank you to the parents, coaches and above all, the skaters who make it all worthwhile.

Friends

Our guest skaters: Ross Miner, Caitlyn Yankowskas and Daniyel Cohen were fabulous. We are in awe of their talent, poise and showmanship on the ice. It is inspiring to all of us to see them in action. Kudos to all!

I.C.E. GRADUATING SENIORS

Katelyn Crosby

Katelyn is soon to be a graduate of Goffstown High School. In the fall she will be attending the University of New England as a nursing student. She will be retiring her skates at the end of the summer, leaving behind fond memories of skating with Kathy and Mark, and the fun of skating in ICE shows.

Colleen Farrell

Graduating from York High School, York, Maine, Colleen has enjoyed competing and participating in Ice Shows. Skating has given her personal goals outside of the daily academic requirements of school. Colleen passed her Junior Free Skate test in March and will be working on her Senior Free skate in the fall. As a freshman at Boston University in the fall, Colleen will be part of the Collegiate Figure Skating Club.

Kelly Wilbur

Kelly skated in her 14th Ice Show at the Graf Arena last month and said, "I just skated for fun and with a smile, and that's all I needed to do". She graduates from Ipswich High School and will be attending St. Mary's College on the Chesapeake Bay in Maryland in the fall. She will be sailing for their nationally ranked Sailing Team-hopefully there will be a rink nearby!
